

## My favorite movie

Hello, my name is \_\_\_\_\_, I am \_\_\_\_\_ years old and I am in the 6<sup>th</sup> form at \_\_\_\_\_ School from Bucharest.

I would like to tell you about my favorite movie and my favorite actor at the same time.

It is always a pleasure for me to talk about movies, cinema, actors because I am really in love with them, I also like acting and I have been studying being an actress for 5 years now. So, everybody can easily imagine how much I do love movies and actors.

I usually watch movies on my laptop and sometimes I go to the cinema. Watching movies at the cinema is more interesting than watching movies at home because you can watch vivid images on a large screen with lively sound effects. I often go to the movie theater every weekend.

My favorite type of movie is a comedy because whenever I watch one, I feel like there are no more worries in the world.

I love the Mr. Bean movie series. The story is derived from funny situations in real life. Mr. Bean is the main character, he is played by Rowan Atkinson who is from England. The film is in English, but I can also watch it with subtitles.

I like the episode where Mr. Bean falls asleep in the church on his knees, face on the floor and he sneezes and has to use the inside of his pocket like a handkerchief.

I believe that the plot and actors are among the factors which decide the success of a movie. Well, now, being a fan of Mr. Bean, I could say about him a few things:

- Mr. Bean is too poor to live a normal way the normal people do.
- Mr. Bean is too smart to do things the normal people do.
- Mr. Bean is also too stupid to do things the normal people do.
- Mr. Bean is too meddlesome to keep himself a normal person.
- Mr. Bean is so free that he keeps loitering around to make funny things.
- Mr. Bean is so crazy that he always gets in trouble for it.

- Last thing: Mr. Bean is so funny and famous that he makes himself a rich Rowan Atkinson.

There are many reasons why I like this actor and his movies. Those funny moments, even if they are stupid sometimes, they are so catchy and they always make my day.

I would recommend this film to my friends if they want to have some fun and I think they will enjoy the film and love it as much as I do.
